

ATG-3

DECLARATION

We, Peter A. Burton and Dror Segal, declare  
that we are citizens of the United States of America,  
5 residing and having post office addresses at 71-26 Juno  
Street, Forest Hills, New York and 98 Riverside Avenue,  
New York, New York;

that we verily believe ourselves to be the  
original, first and joint inventors of the invention or  
10 discovery in:

METHODS AND APPARATUS FOR ON-LINE ORDERING  
which is described and claimed in the attached  
specification, and for which a patent is sought;

that we have reviewed and do understand the  
15 content of said specification, including the claims,  
and acknowledge our duty to disclose to the United  
States Patent and Trademark Office information known by  
us to be material to patentability as defined in  
Title 37, Code of Federal Regulations, § 1.56;

20 that we do not know and do not believe that this  
invention or discovery was ever known or used in the  
United States of America before our invention or  
discovery thereof, or patented or described in any

printed publication in any country before our invention  
or discovery thereof, or more than one year prior to  
this application; or in public use or on sale in the  
United States of America more than one year prior to  
5 this application; that this invention or discovery has  
not been patented or made the subject of an inventor's  
certificate issued before the date of this application  
in any country foreign to the United States of America  
on an application filed by us or our legal  
10 representatives or assigns more than twelve months  
prior to this application; and that no application for  
patent or inventor's certificate on this invention or  
discovery has been filed in any country foreign to the  
United States of America by us or our legal  
15 representatives or assigns;

and we hereby claim the benefit under Title 35,  
United States Code, § 119(e), of United States  
Provisional Patent Application No. 60/191,359, filed  
March 22, 2000; United States Provisional Patent  
20 Application No. 60/191,205, filed March 22, 2000;  
United States Provisional Patent Application  
No. 60/245,503, filed November 3, 2000; United States  
Provisional Patent Application No. 60/245,826, filed  
November 3, 2000; and [P.A. Burton] United States  
25 provisional application entitled SYSTEMS AND METHODS  
FOR USING CODES TO IDENTIFY OR GROUP ORDERS, filed  
January 2, 2001, Attorney Docket No. ATG-6 PROV2.

Wherefore, we pray that Letters Patent be  
granted to us for the invention or discovery described  
and claimed in the attached specification and claims,  
and we hereby subscribe our names to the foregoing  
5 specification and claims, and declaration.

We declare, further, that we understand the  
English language and that all statements made herein of  
our own knowledge are true, and that all statements  
made on information and belief are believed to be true;  
10 and, further, that these statements were made with the  
knowledge that willful false statements and the like so  
made are punishable by fine or imprisonment, or both,  
under Section 1001 of Title 18 of the United States  
Code and that such willful false statements may  
15 jeopardize the validity of the application or any  
patent issuing thereon.
